Deciduous shrub with green leaves and pink flowers in early/mid summer followed by red fruit.

Maintenance advice: At the end of winter, reduce branches by at least a half in length, to encourage the appearance of new floriferous branches. A severe or late pruning will delay flowering, which will extend until the end of summer and will also keep the plant compact.

Botanical/Horticultural origin: Horticultural origin : breeder Pépinières Minier (FR) 2006

Use group: Shrubs

Height at 10 years: 1,5 m

Width at 10 years: 1 m

Growth: Medium

Fragrance: No

Exposure: Sun - Half shade

Evergreen/Deciduous:
Deciduous

Shape: bushy

Colour of leaves: Green

Colour of flowers: Pink

Soil type: Cool to dry

Uses: Border, Free standing specimen,

Publisher: Hortival diffusion
