CEANOTHUS MARIE BLEUE (R) 'Minmari'

California lilac 'Marie Bleue'®, soap bush 'Marie Bleue'®

Deciduous shrub with green leaves and blue flowers in early/mid summer followed by red fruit.

Maintenance advice: At the end of winter, cut off a half in length from branches to help new floriferous shoots appear. A severe or late pruning will delay flowering, which will make it

last longer up to the end of summer and keep the plant compact.

Botanical/Horticultural origin: Horticultural origin: Pépinières Minier (FR) 2003

Use group: Shrubs

Height at 10 years: 1,5 m Width at 10 years: 1 m

Growth: Medium Fragrance: No

跌 Exposure: Sun - Half shade

Evergreen/Deciduous: Deciduous

Shape: bushy

Colour of leaves: Green Colour of flowers: Lavender

Soil type: Cool to dry

Uses: Border, Free standing specimen,

Publisher: Hortival diffusion
